Re: ***TeamstersCare is a Creditable Coverage Plan***

---

To clarify information contained in the recent mailing from Blue Cross Blue Shield about creditable coverage, let me assure you that the TeamstersCare plan is a creditable coverage plan.

TeamstersCare provides a separate pharmacy benefit through Medco and the TeamstersCare pharmacies, which together with our medical plan through Blue Cross Blue Shield, meets the creditable coverage criteria under the Massachusetts Health Care Reform Law.

***Therefore, our plan is and always has been a creditable coverage plan.***
