➤ **Where else can you get the Shingles Vaccine?**

1. **At your health care provider's office through the TeamstersCare Blue Cross Blue Shield** medical plan. If you are age 60 or over **and have TeamstersCare medical benefits**, the vaccine is covered at your provider's office with a **\$15.00 copay**.
2. **At a participating Express Scripts retail pharmacy.** Most major pharmacies are in the Express Scripts network. Members, retirees and spouses age 60 and over, including those enrolled in the TeamstersCare Retiree Prescription Drug Program, can use their Express Scripts prescription card at a retail pharmacy with a **\$15.00 copay**. In Massachusetts, a prescription for the vaccine is not needed at a retail pharmacy. If you go to a pharmacy outside of Massachusetts, you should check with the pharmacy to see if a doctor's prescription is required for the vaccine.
