DENTAL CARE

Services Available at our TeamstersCare In-house Dental Offices

Program participants have access to our TeamstersCare dental offices in Charlestown, Chelmsford, and Stoughton for basic dental services. There is no charge for preventive dental care visits, including oral exams, x-rays, and cleanings. For all other visits, you make a \$5 or \$10 TeamsterShare Payment. There's no paperwork involved or claims to submit.

The TeamstersCare Dental Offices are staffed by dedicated and experienced dentists, hygienists, and dental assistants.

Making Appointments

The TeamstersCare Dental Offices open at 8:00 a.m. and some evening appointments are available. To make an appointment, call the appointment desk at the TeamstersCare dental office you plan to visit. See the reverse side of this sheet for telephone numbers.

Dental Services Provided at TeamstersCare In-house Dental Offices

The following general services are available at our three TeamstersCare Dental Offices:

- dental examinations and x-rays
- fluoride treatment and sealants
- cleaning and scaling
- fillings—amalgam (silver) and composite (white)
- root canals—limited to six front upper and six front lower teeth
- simple extractions—limited to loose teeth, at the discretion of the TeamstersCare dentist
- dentures—full or partial
- denture repair and relines
- second opinions
- emergency care during office hours — including evaluating and treating dental problems that are within the scope of the services provided at our TeamstersCare dental offices

VISION CARE

TeamstersCare provides you with access to ***Davis Vision providers*** throughout the United States for a wide range of eye care services & supplies. Covered benefits include ***routine eye exams & eyeglasses, at no cost*** to you; *contact lenses (in lieu of eyeglasses) require a \$25 copay.*

You can select from a wide range of frames and lenses, including sunglasses, bifocals, tinted lenses, etc. You and your spouse are entitled to **two pairs of eyeglasses each, every 24 months.** **Exam and eyeglass selection must occur at the same time.**

Using the Plan

To schedule an appointment, call a local Davis Vision provider directly or call 1-800-999-5431 for a list of providers in your area. When you call, the Davis Vision professionals will help determine whether you're eligible for routine vision services through the Plan. If you need more information about contacting Davis Vision, call us at our TeamstersCare Charlestown Member Services office.

Important Note: For vision care, services, equipment, and supplies are covered only when provided through the TeamstersCare Vision Plan at a Davis Vision network provider.

HEARING CARE

TeamstersCare provides access to hearing care services at our state-of-the-art audiology facility in Charlestown. Hearing care benefits include diagnostic evaluations provided by our audiologist, ***at no cost to you.***

We provide the following Audiology Services:

- Otitic Ear Examination - examine the ear canal with an ear light
- Middle Ear Analysis - determine if problems in the middle ear are contributing to hearing loss
- Pure Tone Hearing Testing - tests in a sound booth to measure hearing ability
- Speech Discrimination Testing - determine how you process speech sounds

Participants who need a hearing aid are referred to a local hearing aid dispenser to purchase amplification at a discounted price. Our audiologist will guide you through this process and is available for hearing aid follow-up visits.

Call the Charlestown Appointment desk to schedule hearing care services.
